Thank you for your interest in The CipherShed Project (the "Project"). In order to clarify the intellectual property license granted with Contributions from any person or entity, the Project must have a Contributor License Agreement ("CLA") on file that has been signed by each Contributor, indicating agreement to the license terms below. This license is for your protection as a Contributor as well as the protection of the Project and its users; it does not change your rights to use your own Contributions for any other purpose.

This version of the Agreement allows an entity (the "Corporation") to submit Contributions to the Foundation, to authorize Contributions submitted by its designated employees to the Foundation, and to grant copyright and patent licenses thereto.

If you have not already done so, please complete and digitally sign and email this Agreement to [secretary@ciphershed.org](mailto:secretary@ciphershed.org). Please read this document carefully before signing and keep a copy for your records.
